## **Charity Month**

The month of April is designated as Charity Month. During this month, each sanctioned club game is authorized to run its regularly scheduled sessions as Charity Games. All clubs may run as many charity games as they have sanctioned sessions. During any other months, excluding January, May and September, one game per month per sanctioned session may be a special fund game for the Charity Fund. An extra per person fee is contributed to the ACBL Charity Foundation in the U.S. and the CBF Charity Foundation in Canada or to a local charity on alternate sessions.

The first ACBL sanctioned charity game, if any, plus at least every other subsequent game conducted by a club in a calendar year must be for the benefit of the ACBL Charity Foundation or, in Canada, the CBF Charitable Fund. ACBL sanctioned charity games not required to be run for the benefit of the ACBL Charity Foundation or the CBF Charitable Fund may be for the benefit of any governmentally-recognized charity, charity foundation or charity fund.

Clubs may use their charity fund sessions to conduct one two-session charity fund championship. The same ACBL regulations that pertain to a two-session club championship apply to a two-session charity fund championship. This includes the right to schedule the charity event at a time and place that differs from that of the regular game.

The entire contribution must be made to an official ACBL beneficiary. A club may charge any table fee that it chooses.

Masterpoints:	Awards for Fund games are 63.6% sectional-rated black
Sanction:	No special sanction required
Sanction Fees:	\$5 per table for games benefitting the ACBL Charity Foundation \$1 per table for games benefitting a local charity (minimum of \$4 per table designated for a local charity)
