## YOUTH BRIDGE

Ben Heller of CBS.com put together a list of the worst-selling sports videos, including World Championship Bridge. He wrote: "The premise: Poker games sell well, so why not bridge? The problem: nobody under the age of 50 plays bridge. Nobody over the age of 50 plays video games. You do the math." However, Frank Smith says that youth bridge is booming, due to efforts by the ACBL, an initiative by Warren Buffet and Bill Gates, and sponsorship by the LEAGUE, a service organization. The U.S. has won the World Junior Teams four times since its inception in 1987.

### Reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards must be identical and include the first and last names of each member of the partnership. Other types of convention cards, such as the WBF card or homemade cards that do not sufficiently resemble the ACBL convention card are not acceptable substitutes. If a director finds that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. Also, the partnership will receive a 1/6 board matchpoint penalty for each board played, beginning with the next round and continuing until the restriction is lifted. The restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director.

## B O N E

### A SIMPLIFIED GUIDE FOR REMEMBERING BOARD VULNERABILITY

Think in sets of four boards, e.g., 1 - 4, 5 - 8, 9 - 12, and 13 - 16. The vulnerability for the first set, 1 - 4, starts O (noone vulnerable), then N (N-S vulnerable), then E (E-W vulnerable), and finally B (both vulnerable). For the second set of four, move the first O to the end of the set (5 - 8: NEBO). For the third set, move the first N-S to the end (9 - 12: EBON). For the fourth set, move the first E-W to the end (13 - 16: BONE). Repeat the system for sets 17-20 (like 1 - 4), 21 - 24 (like 5 - 8), and 25 - 28 (like 9 - 12). Then all you have to think of is a) which set of 4? and b) which cycle? **EASY, HUH?**

**“Later is better.” Whatever partner tells you in the defense carries more weight than everything he said in the auction.** Marty Bergen

**“Some of the best lessons are learned from past mistakes. The error of the past is the wisdom of the future.”** Dale Turner, quoted by Gideon on “Criminal Minds

**“I’ve gradually come to the conclusion that conventions, while undeniably useful, are overrated.”** August Boehm, Bridge Bulletin, August 2010, p. 47

**“Someone described bridge as a social pastime that’s not always sociable.”** Frank Stewart, July 29, 2010

**“If you lead an [unsupported] ace, you will often learn what you should have led.”** Mike Lawrence, Bridge Bulletin, January 2010, p. 43

Has any player in a bridge game ever been dealt 13 cards of the same suit? You hear claims to that effect every now and then, but the scientists who deal in probability statistics say they doubt it, and surveys among the world's top tournament players have failed to find one who ever witnessed such. The odds against it are 158,753,389,899 to one!
