A great big **THANK YOU** to the Seaside Unit for hosting the **Oregon Coast Regional** ... we couldn't do it without you.

Local Chair: **Gil Gransom**
 Partnership Chair: **Sue Kroning** and her volunteers **Sue Boyle, Joann Dawley, Lew Richardson, and Monica Taylor**
 Hospitality Chair: **Irene Harrowitz** and her volunteers **Ray Lowe, Dorothy Hansen, and Marian Sinz.**

Thank you, **Merle Stetser**, for keeping the Bulletin interesting and entertaining. Thank you, **Rich Carle**, for posting the Bulletin on the website every evening (<http://acbid20.org/>).

This is my last tournament as Tournament Manager, and I want to thank all the local Units and Volunteers who help run our Regionals. You are the backbone of our tournaments, and we appreciate all your efforts.

Marie Ashton will take over as Tournament Manager in Reno. Please be sure and tell her if you didn't get an applique, if the room is too hot, too cold, or just not tidy enough. Marie is bubbling with ideas and enthusiasm, so come soon to a future District 20 Regional to see what she has planned for you.

Everyone travel home safely, and mark the dates for next year...

Marilyn Vilhauer, Tournament Manager

Top Ten Goodwill Gestures

The Goodwill Committee at the 2008 Fall NABC in Boston suggested some of the small ways you can do your part to make the tournament a pleasant experience for all our players. Good luck at the bridge table! 1. Greet and welcome opponents. 2. Always say, "Director, please." 3. Lead or place dummy before you write. 4. Mentor a new player. 5. Say, "Thank you, partner." 6. Complement *opponent's* play. 7. Discuss hands *after* the game. 8. Accept defeat and victory with grace. 9. Leave a tidy table. 10. Smile often!

Kudos to new Life Master, **Daphne Dunbar**, from Victoria BC, and to new Life Master **Gay Jungemann**, from Vashon Island, WA, who achieved the rank playing in the Stratified Open Pairs with Donna Gering, also from Vashon Island, who needs more points but now has all the gold she needs. Congratulations also to **Barbara Ross**, from White Plains, NY, who yesterday became a new (Bronze) Life Master. Way to go, one and all!!!

THE COLOR OF BRIDGE MASTERPOINTS

Masterpoints are awarded in six colors: platinum, gold, red, silver, black and unpigmented. The color of each point indicates the difficulty of the event in which it was won, as well as the member's relative achievement in that event. Color coding makes it possible to ascertain a member's performance record in high-rated games.

Platinum Points

Platinum points are awarded for NABC+ events (which are national-rated events with no upper masterpoint limit) and include the national-rated senior and women's events with no upper MP limit. They are never awarded for junior, flight B, or other restricted events.

Gold Points

Gold points are awarded for overall placings and section tops in regional and NABC events of at least two sessions. The upper masterpoint limit of the event must be at least 750 masterpoints, and the award applies only to the top two stratifications or flights of stratified or stratiflighted events. Pairs filling in for one session of a two-session event receive any gold points earned. In open-bracketed events (such as a bracketed knockout team), each bracket will award some percentage of the overall award as gold, irrespective of the masterpoint holding of the teams in that bracket. Partial gold points may also be awarded for special games, such as the ACBL-wide Instant Matchpoint Game.

Red Points

Regional tournaments and regional events at NABCs award red points except for overall and section tops (see Gold Points). Grand National Teams events, North American Open Pairs events, and certain other special games afford players the opportunity to earn red points at their local clubs.

Silver Points

Silver points are awarded for success in events at sectional tournaments. Progressive sectionals and Sectional Tournaments at Clubs (STaCs) also award silver points.

Black Points

These are awarded for overall positions, section positions, and match awards in sanctioned club games and unit games, and in all other levels of tournament competition except those in which other colored points are awarded. There are some special events (usually at clubs) that award points where some portion of the award will be in black points and the remainder will be in another color.

Unpigmented Points

These points are awarded for success in online (internet) play and are colorless.
